4TH TRANSNATIONAL PROJECT MEETING

From 14th -15th May 2019, the 4th partner meeting of the project Nr. 2017-1- LV01-KA202-035483 “Improving the professional skills in green constructions through online training” took place in Gödöllő, Hungary, hosted by Project Partner iTStudy Hungary Ltd.

Aim of the meeting:

1. Pilot testing of the developed modules – preparation und results
2. Manual of the trainers and trainees
3. Final financial and narrative reports
4. Organization of Planning of future project activities

During the meeting project partners discussed the following key points:

1. The status of the project by Project Coordinator Prof. L. Lazov.
2. Results of the pilot testing of the modules in Latvia, Germany, Hungary and Bulgaria were presented.
3. The graphic layout of the general of the individual modules and that of the whole training course
4. A decision has been made to add videos to each module and a generic video input for the entire course
5. RTA, Vedaconsult and ECESI should send to the Hungarian partner the textual content (in English) and pictures.
6. The Hungarian partner will create video and send it back for checking.
7. Then the video should be translated in DE, HU, BG, LV.
8. There should be 15 questions in the end of each module as a final test.
9. Manual of trainers and trainees to be completed and presented at the next workshop.
10. Translate to partner languages the Manual of the trainers and trainees
11. The participants in the meeting shared their recommendations and comments on the modules developed. Deadline was set for the written submission of the partners' opinion on the content and layout of the modules.
12. A decision has been taken after the proposals have been discussed and corresponding corrections are to be made to the modules.
13. Issues regarding the final report of the project - financial and narrative.
