## 4<sup>TH</sup> TRANSNATIONAL PROJECT MEETING

From 14th -15th May 2019, the 4th partner's meeting of the project Nr. 2017-1- LV01-KA202-035483 "Improving the professional skills in green constructions through online training" took place in Gödöllő, Hungary, hosted by Project Partner iTStudy Hungary Ltd.

During the meeting project's partners discussed the following key points:

- The status of the project by Project Coordinator - prof. L. Lazov.
- Results of the pilot testing of the modules in Latvia, Germany, Hungary and Bulgaria.
- The graphic's layout of the individual modules and the whole training course.
- A decision has been made to add videos to each module and a generic video for the entire course.
- RTA, Veda Consult and ECESI should send to the Hungarian partner the text content (in English) and the pictures.
- The Hungarian partner should create video and send it back for checking and translating.
- Manual of trainers and trainees should be completed, translated and presented at the next workshop.
- The participants in the meeting should share their recommendations and comments on the modules developed.

Visit the Department of Mechatronics , Gödöllő, Hungary

## FORTHCOMING PROJECT ACTIVITIES

1. Improvement of the web-based interactive modules.
2. Accreditation of the modules in Green Skills.
3. Completion and reporting of the project's activities – final financial and narrative reports .
4. The Final project meeting will take place on 09-10.07.2019. in Gabrovo, Bulgaria, hosted by ECESI.
